

## **Society Organiser Information Sheet**

We would urge you to pay your £100 deposit as early as possible to ensure your booking is secured for your specific day and time. We operate a first-come-first-served basis so until a deposit is paid, we cannot guarantee a specific date will be available.

We regret that the deposit is non-refundable but if the weather is forecast to be particularly inclement, please contact us at least 9 days before to discuss rescheduling. We do want your day with us to be enjoyable so if you are fair weather golfers only, we quite understand!

The minimum number of players is 12.

### **Planning Your Day**

To make your day as successful as possible we ask for your help with the following in advance:

- Confirmation of final numbers and any other changes, including special dietary requirements, must be received at least 9 days prior to the event. This is the minimum number of players you will be charged for. If there are any further additions required after confirmation of numbers, please contact us and we will do the best we can to accommodate you.
- Play is restricted to a maximum of a four-ball format. We do not encourage playing a Texas Scramble, however this would be acceptable in a three-ball format and ensuring you keep within the time requirements.
- Nearest the Pin and Longest Drive markers, are available from the Pro Shop on request.

### **On The Day**

Please check in at the pro shop on arrival. Please arrive at least 30 mins before your first tee time if you are not having food before the game. If you are having food, your arrival time will be confirmed prior to the day.

**Please make sure all society members are aware of the following:**

- Please note that we do not allow alcohol consumption on the course.
- We enforce a dress code which includes tailored trousers or shorts, a collared t-shirt and appropriate footwear. We do not allow jeans, tracksuit bottoms, sleeveless vests or casual sportswear.
- Please note that we do not have any showers available, but we do have a small changing room/cloakroom.
- Players must be on the starting tee 10 minutes before their allocated tee time.
- We will normally provide a Starter to welcome you to the Course and provide information to make your round as enjoyable as possible.

- For the enjoyment of all, we do operate a time-managed golf course and the requirement is for all groups, irrespective of size, to complete the front nine holes in 2 hours 15 minutes and the back nine in 1 hour 30 minutes.
- Course Information will be emailed to the organiser on the day and this will include any restrictions.
- Each person must have their own golf bag and equipment and all participants must be golfers who should have knowledge of the rules and etiquette of golf. Pull-along trolleys may be hired from the Pro Shop. Due to Health and Safety requirements, we are **unable to allow any ride-on buggies** of any kind on the course.

### **Covered Floodlit Golf Driving Range**

We have a driving range located next to the pro shop for those who wish to warm up before their game. We also have a practice putting green by the first tee box.

### **Clubhouse**

We are pleased to announce that our Clubhouse Restaurant and Bar are now open. We do have a Society menu for pre-booked meals. If food is not pre-ordered, the general menu will be applicable and it may take longer to receive your order.

**We aim to help you have an enjoyable day with us so please let us know if we can do anything to assist you in this.**

**Chilworth Members Golf Club**
